*“Teaching Economics Through Musical Theatre”*

## **Discussion Questions for “You Gotta Get a Gimmick”**

- 1.) In what ways is the market for strippers monopolistically competitive?
- 2.) Some of the skills mentioned in the song require significant training. Training and education usually results in increased wages. How much more does someone with a bachelor’s degree earn relative to someone with a high school degree (on average)? Likewise, a master’s degree/Ph.D.?
